

Automatic Payment Plan

You authorize a regularly scheduled payment to be made from your checking or savings account. Your payment will be electronically transferred to Brown County Rural Electric on the 20th of each month. If the 20th falls on a weekend or holiday, the transfer will be made the following business day. Proof of your payment will appear on your bank statement. For your records, you will continue to receive a monthly statement from Brown County Rural Electric. Instead of an amount due on the stub, it will indicate that the bill will be drafted from your account. This arrangement will remain in effect until you terminate the authorization.

Please complete, detach and return the bottom portion with a voided check to:
